

# Athena HCP Overbed Tables

Our line of overbed tables is designed to increase the quality of care for patients and caregivers. Athena Overbed Tables are easy to move, position, and adjust. They fit under beds and stretchers, even around most recliners to ensure patient's comfort.

## Athena Standard OBT

Our Standard Overbed Table is an economic, easy-to-use model for long-term care, assisted living, home care, and more. The table top raises with slight upwards pressure, and lowers with a touch of the accessible trip lever, automatically locking into position. The U-Base model has a 24" open area between legs to accommodate seating. Table weighs 27 lbs. and is easily assembled with four bolts.

- 15"W x 30"L table top made with 3/4" MDF core and thermofoil finish
- Chrome plated 16/17 gage welded steel frame, 13 gage stamped steel support bracket
- Infinitely adjustable height between 28"-45"
- H-Base model features 1 1/2" twin wheel casters while U-Base is designed for easy use with a chair
